Administration

Dr. Dimitro Bourandas

Assistant Superintendent

Dr. Dimitro Bourandas hails from Detroit, Michigan, where he attended public schools and graduated from Class Technical High School in 1944.

The following two and a half years, Dr. Bourandas spent serving his country in the U.S. Navy. His rating was Electronic Technician's Mate, second class.

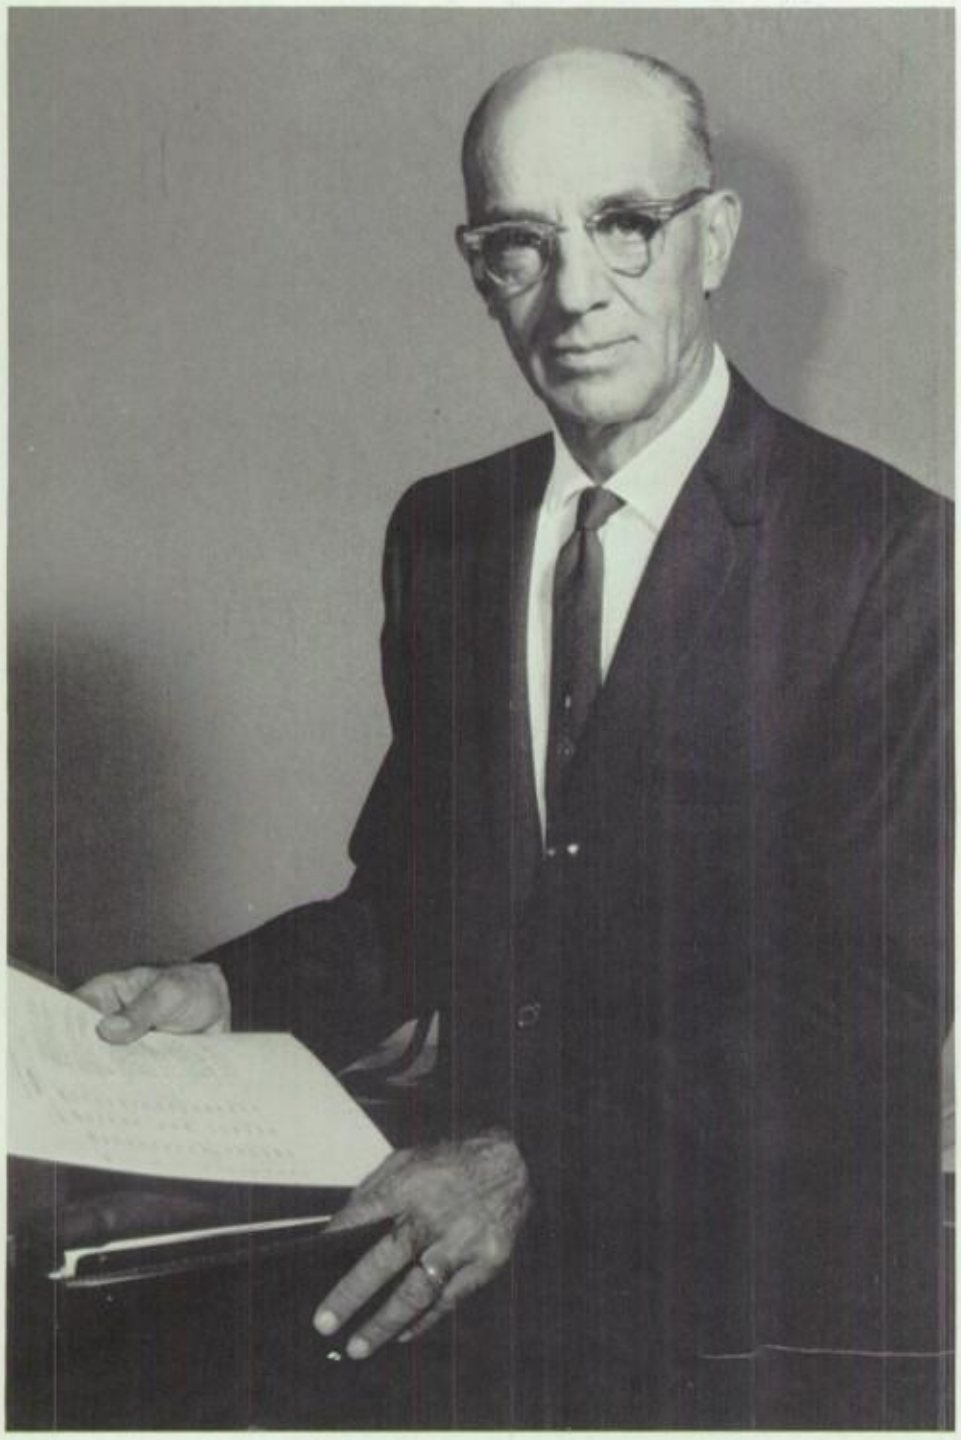
In August 1950, he graduated, cum laude, from Central Michigan University, Mount Pleasant, Michigan, with majors in english and elementary education plus minors in German and rural education.

A M.Ed degree was received in elementary education with a cognate in audio-visual education, 1955 from Wayne State University, Detroit, Michigan.

He acquired a broad range of experiences at various levels of instruction while with the Dearborn, Michigan Public Schools. Some of those experiences include status as an elementary teacher, secondary teacher of psychology, an English instructor, high school counselor, and part-time instructor at Henry Ford Community College.

Dr. Bourandas was assistant superintendent in charge of instruction for the Neshaminy School District, Langhorne, Pa. He was responsible for coordinating all departments in program development from kindergarten through twelfth grades.

At the beginning of this school year, Dr. Bourandas was hired as assistant superintendent of the Smethport Area School District. He assumed the position in November and we are grateful to have him as a part of our educational system.



Mr. Fred Zampogna

High School Principal

Mr. Fred Zampogna graduated from Mt. Jewett High School in 1931. Upon completion of high school, Mr. Zampogna attended Lock Haven State College and graduated, 1933, with a certification to teach in elementary school. Mr. Zampogna returned to Lock Haven College and in 1936 received a B.S. degree in English, Social Studies and Geography.

His first teaching experience came when he was hired to teach in a one room schoolhouse, composed of twelve grades, in Hutchins, Pennsylvania. The following two years he taught grades five through eight at Toby Springs. During the summer of those two years he received his certification to teach Driver Education from Clarion State College. During '42-'43 school year, Mr. Zampogna taught Biology, General Science, Geography, Health and served as class adviser, patrol boy director, play director and various other positions in Hazel Hurst, Pennsylvania.

In April 1943, Mr. Zampogna volunteered to serve in the U.S. Army. He served for three years and returned to Hazel Hurst. He taught senior english and history.

His M.Ed. degree was received in Educational Administration from Pennsylvania State University, 1953. Mr. Zampogna has advanced study hours in graduate study from Pennsylvania State University.

The jointure of the Smethport school districts was formed in 1956 and Mr. Zampogna was appointed acting principal of Hazel Hurst school. The Board of Education hired him as elementary principal of the Smethport Area School District in October, 1957. After serving seven years as elementary principal, Mr. Zampogna agreed to become principal of Smethport Area High School, a position he still maintains.

Acting High School Principal

Mr. Jack Pennington graduated from Glen Campbell High School, Glen Campbell, Pennsylvania in 1943. Immediately after graduating, he joined the U.S. Navy and served two years. Mr. Pennington received his Bachelor of Science degree from Indiana University of Pennsylvania, Indiana, Pennsylvania in 1951. He began his teaching career in Smethport the fall of 1951. Mr. Pennington taught Junior high mathematics fifteen years and took two years' leave of absence so he could further his education. He participated in an Experienced Teacher Fellowship program in Computer Science and Educational Administration and Supervision, earning a Master of Science degree in both. He enrolled at Pennsylvania State University to further his studies in Administration. In September of 1968 Mr. Pennington returned to Smethport and continued teaching junior high mathematics. Mr. Pennington was officially hired in the summer of 1969 as acting principal until the end of the first semester of the 69-70 school year.

Mr. Jack Pennington

Board of Education

The board of education is an important necessity to any school district. They take their spare time to establish rules and regulations that make up the school policy. The school board also allocates money for the activities that are so necessary for a complete school curriculum. We appreciate the endeavors of this worthwhile organization.

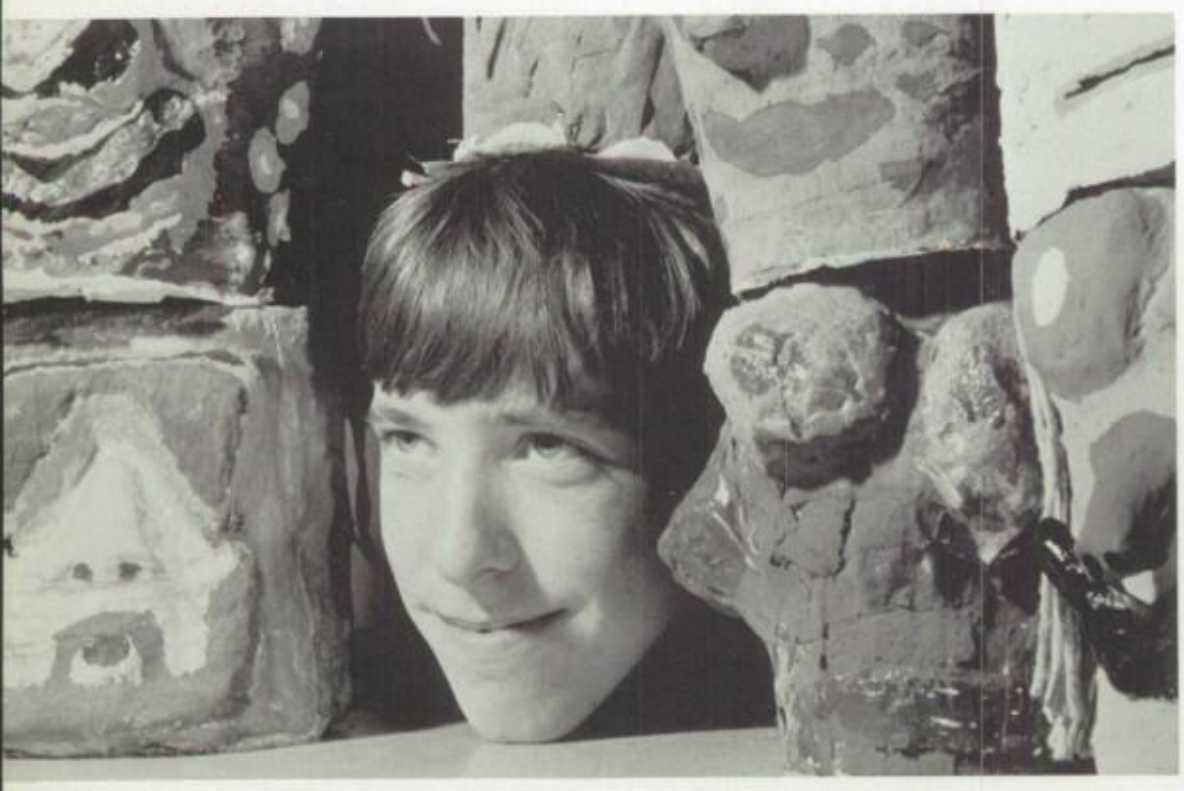
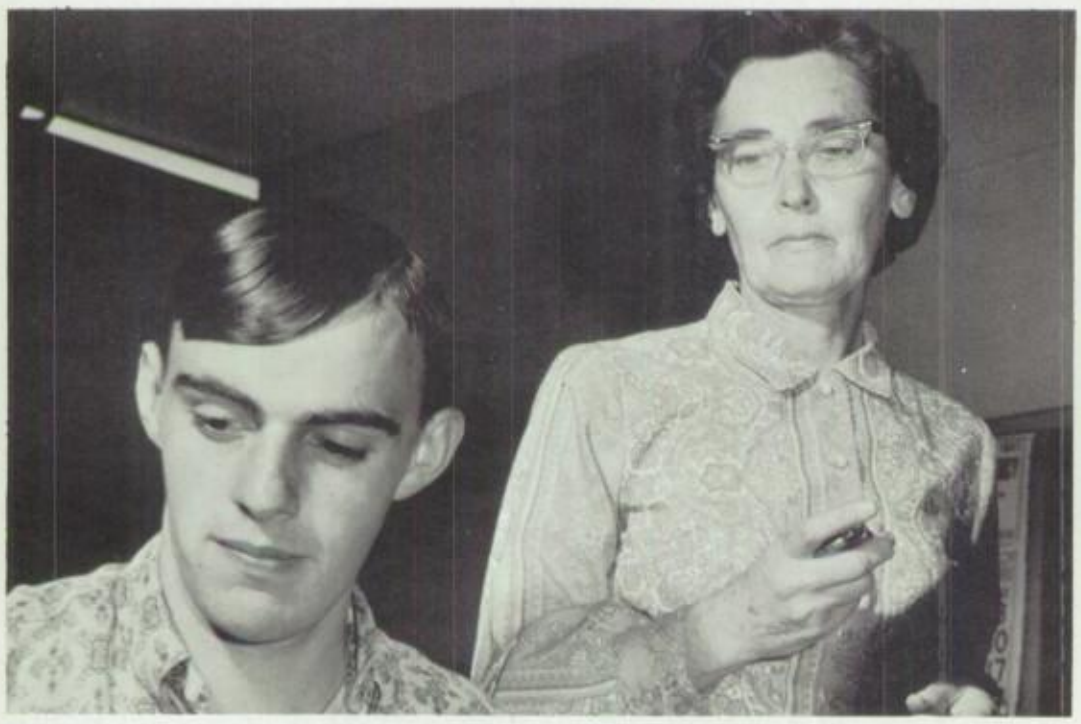
KAROL BENSON, B.A.
Jr. and Sr. High Art

Art

Art is skill in making or doing. Our art department strives to see that all students are trained in using this skill. Students are given a lump of clay or a scrap of metal and asked to create something from which, in many instances, an original statue or sculpture results. Thus the student develops satisfactory sense of achievement plus the motive for a deeper study of art.



DALE E. SCHELL, B.S.
Bookkeeping I and II, Bus. Law, Gen'l Bus.



HARRIETT ROCKEFELLER, M.A.
Typing and Office Practice

Business Education

The business department offers the students a wide variety of courses. A thorough depth of training in typing, shorthand, bookkeeping, and recordkeeping encourage the students to enter the business world with the anticipation of becoming a success.

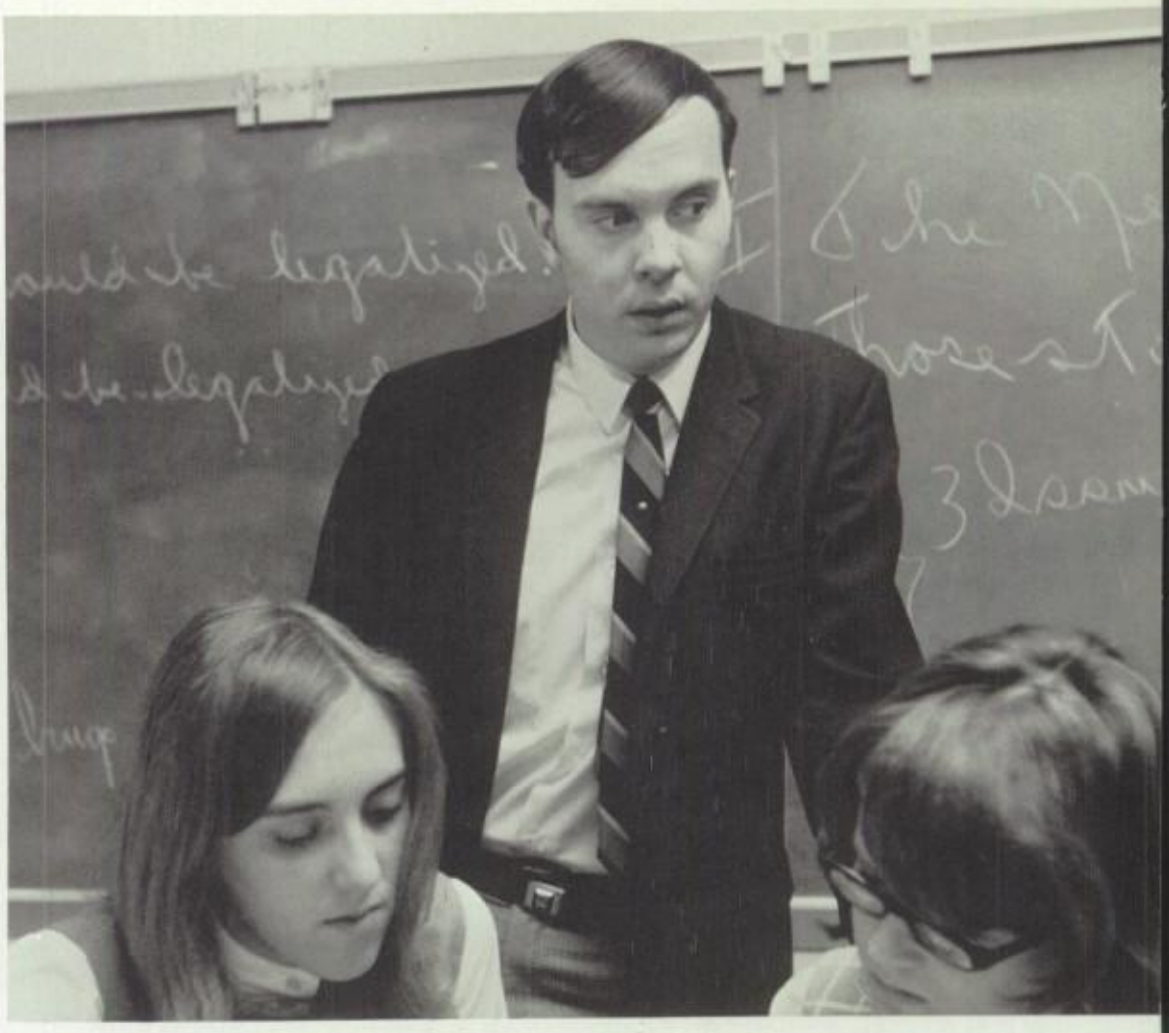
DOROTHY LOMBARD, B.S.
Shorthand I and II, Bus. Math and Per. Typing
Coordinator

MARLENE E. STRABEL, B.S.
Bus. Eng., Recordkeeping, Typing I, Sales, Personal Typing and Con. Economics

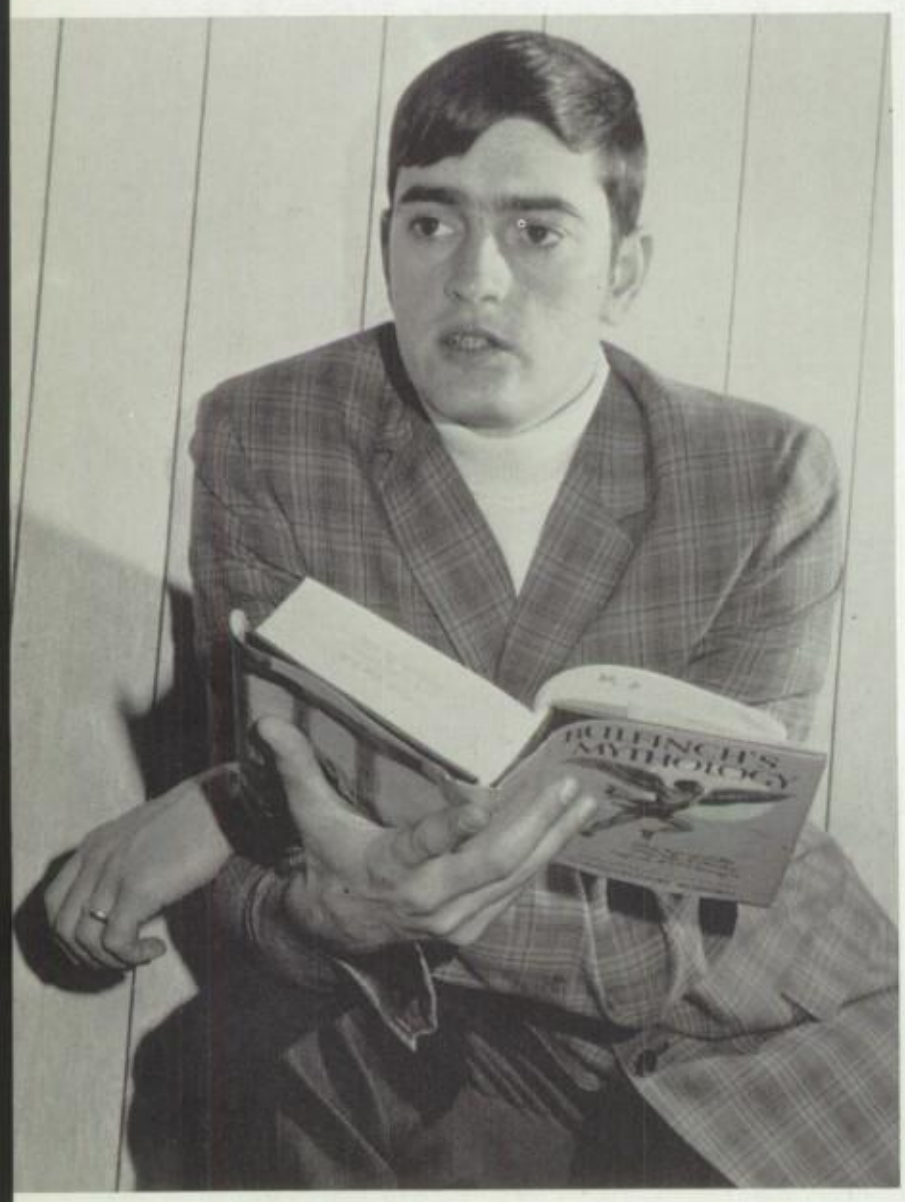
English

Our English department has many difficulties in trying to impress upon the students the importance of knowing how to use their native language correctly.

We students are sometimes un-appreciative of our teachers' efforts, but upon leaving high school we realize that all the lessons were necessary in everyday life.



GEORGE S. APALISKI, B.S.
Junior English



LAWRENCE J. TRULICK, B.S.
English IV and V.

SUSAN HEAD, B.S.
Eighth Grade English

PAULINE O. HERGENROTHER, A.B.
Latin and English Coordinator

Driver Education

Good driving habits, maintenance of the automobile, and safety are taught in the classroom, as is actual behind-the-wheel experience for those desiring further training. This course provides a better opportunity for students to become safe drivers.

SALLY LOVINS, A.B.
English and Journalism

DANIEL MARSHALL, M.A.
Driver Education

Gail Holden, James Mitchell, Linda Aspinall

SANDRA L. BARTON, B.S.
Seventh Grade English

LARRY G. CLARK, B.S.
Health—Ninth and Eleventh

MAE C. FOLEY, R.N.
School Nurse

Health

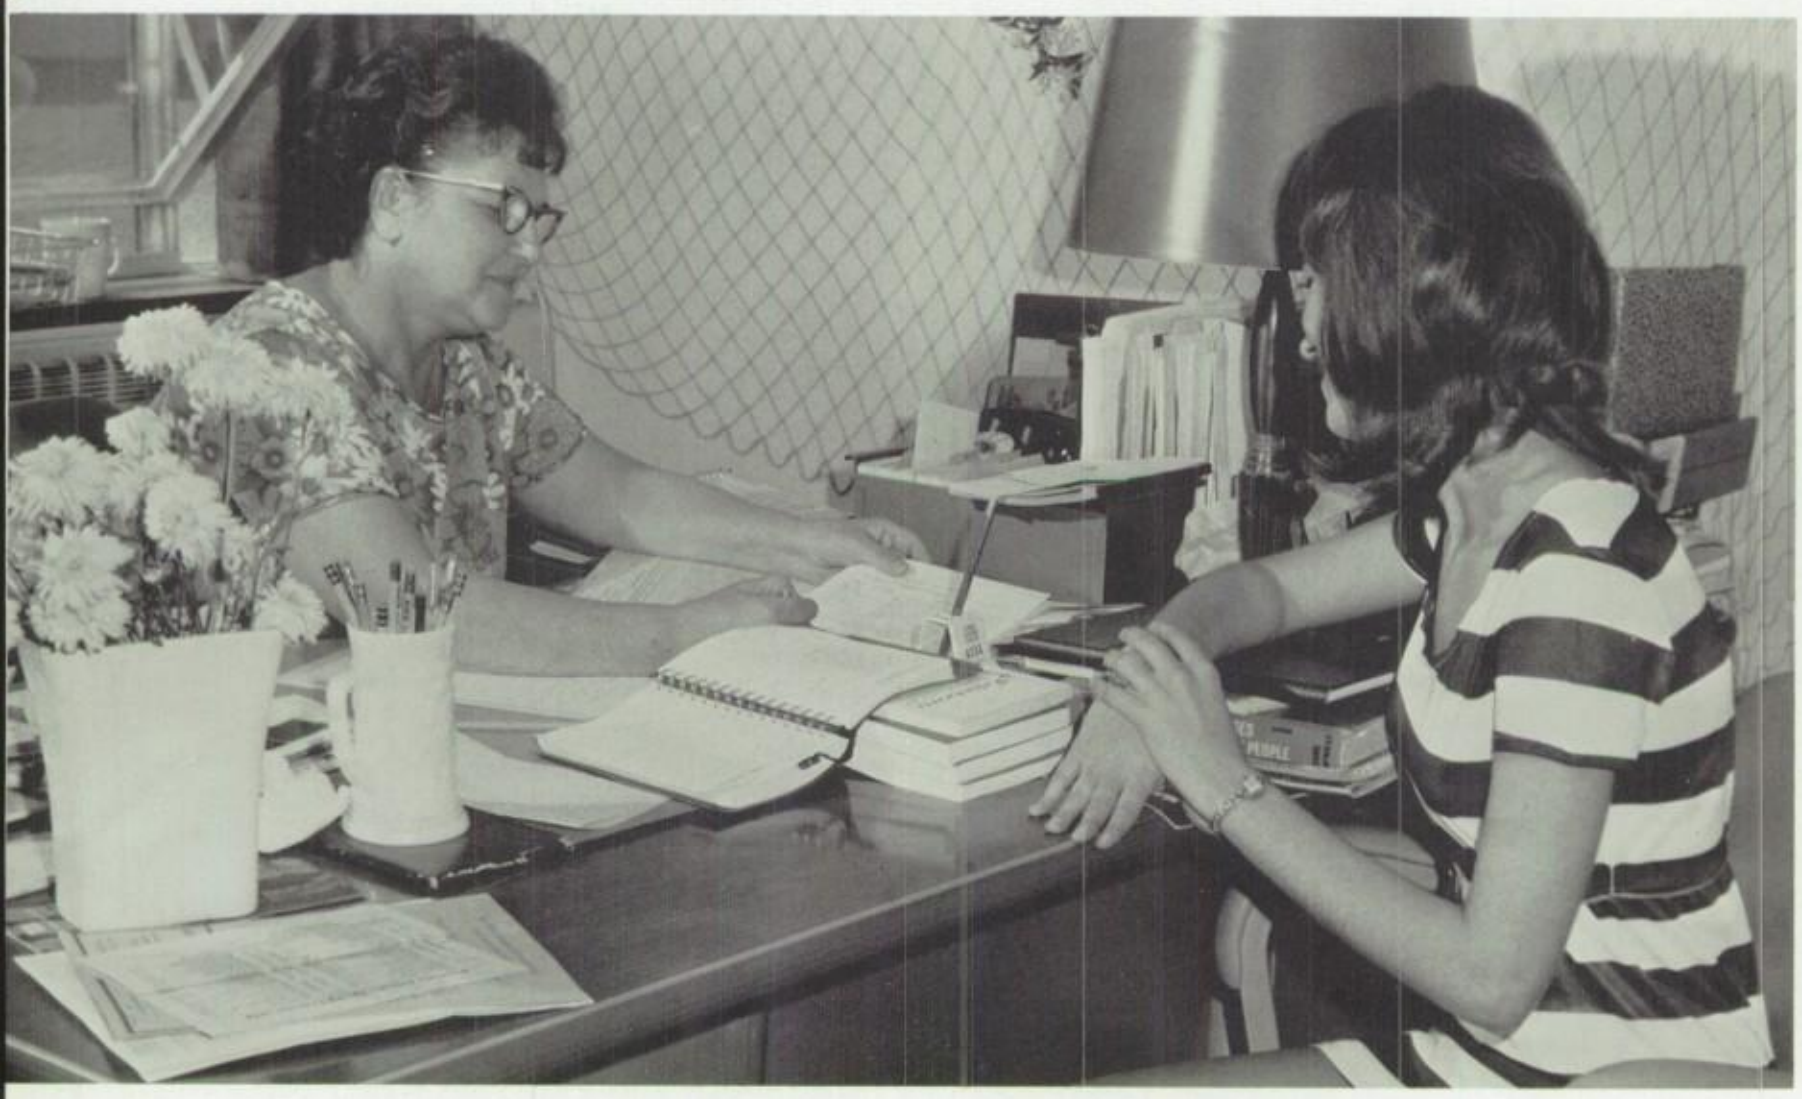
Our school curriculum offers a health course, enabling the students to graduate with a clear understanding of good health habits and the functions of the body. The purpose is to learn physical health, as well as different mental illnesses and the care involved. These endeavors teach the students the necessary elements for a more healthful and profitable life.

JEANNE CALDWELL, R.N.
Home and School Visitor

ANNE M. ANDERSON M.S.
Guidance Counselor

Guidance

Many long hours are required in the preparation of each student's school record and curriculum. The main purpose of this service is to assist the students in any problems concerning grades, credits, or college. Oftentimes students don't realize the need for counselling or the importance of grades. Hopeful acceptance at a certain college brings about this realization and the discovery that this office plays an important part in what their future careers may be. Future achievements prove the importance and value of efficient counselling service.



Home Economics

The home economics program in our school has been greatly extended. This year it includes the study of personality growth, family relationships, child growth and development, money management, home hygiene, and practically all that goes along the lines of making a home a pleasant and profitable experience.

A special class is offered to the boys to help in solving their personal problems and in making them better family members.

KATHRYN HARVEY, B.S.
Junior High Home Economics

MARYON P. SWANSON, B.S.
Home Economics

Industrial Arts

RICHARD F. MALLISON, B.S.
Ind. Arts, Metal and Mechanical Drawing

Industrial Arts, as part of the school curriculum, offers the student an excellent vocational training program. It involves the use of materials, tools, processes, and products as well as language arts, mathematics and science.

Some objectives of this department are to develop manual ability of service in and around the home. The courses offered provide experience and information that will aid the student as a consumer in the selection, use, care, and repair of the products of industry with which he is closely associated.

Industrial arts does not attempt to prepare the student for a particular occupation. Rather it helps the individual develop an insight into a vocation that may be enjoyable to him.

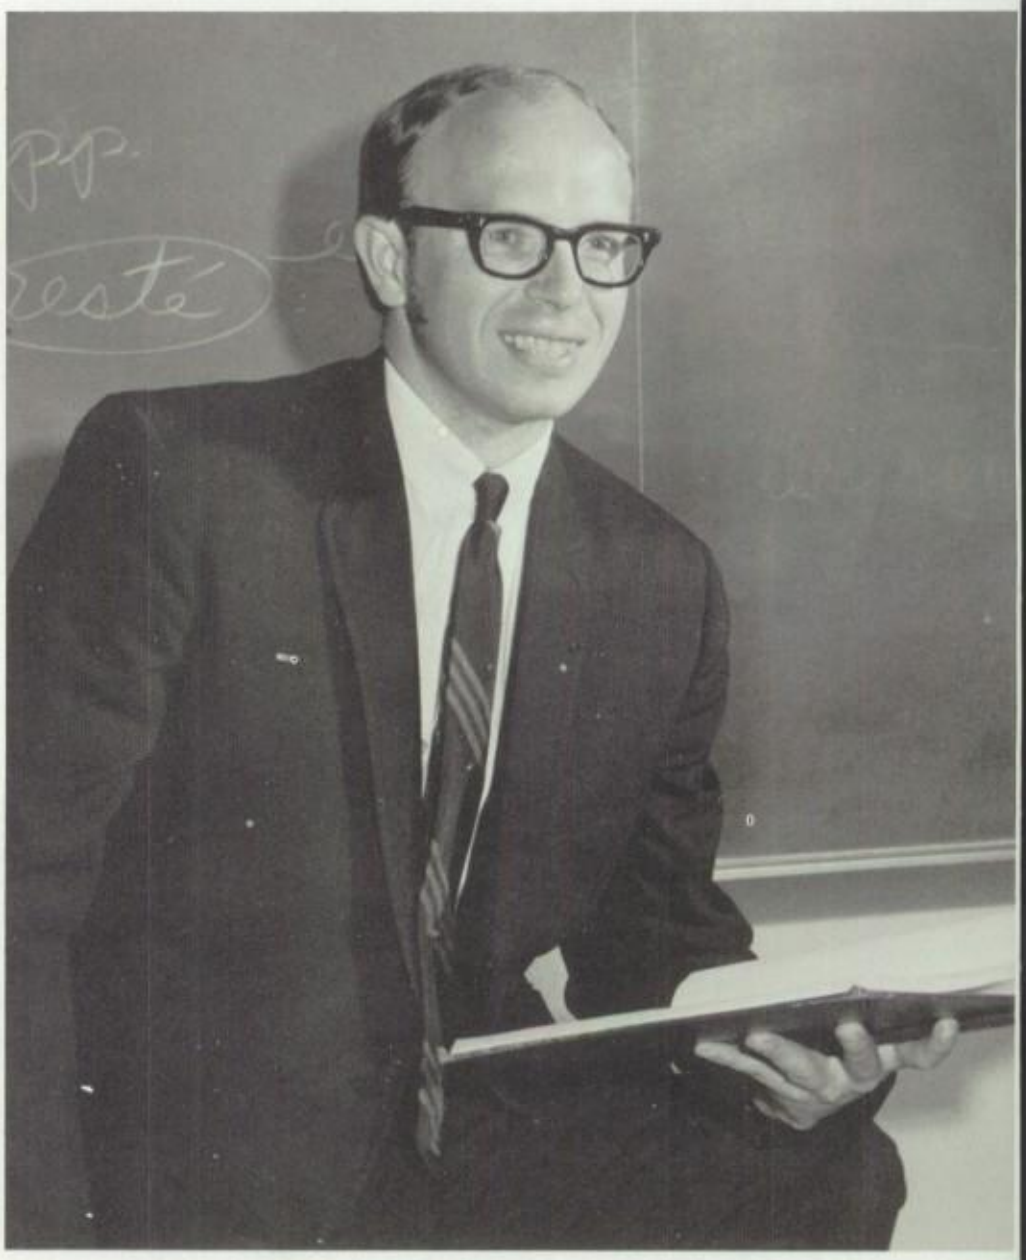
GEORGE LARSON, Masters
Equivalent Industrial Arts,
Wood Working

CAROL WILSON, B.A.
Spanish

Language

As we learn the basics of our own language, we have an opportunity to learn the foreign tongue of our neighbors in this wide world. Many people have the privilege of traveling today, thus necessitating the ability to communicate with the people of different countries. Our language department is helping us do this by offering three different languages; French, Spanish and Latin.

In all three languages we are privileged to learn the art of communicating with other peoples of the world.



LARRY G. MILLER, B.S.

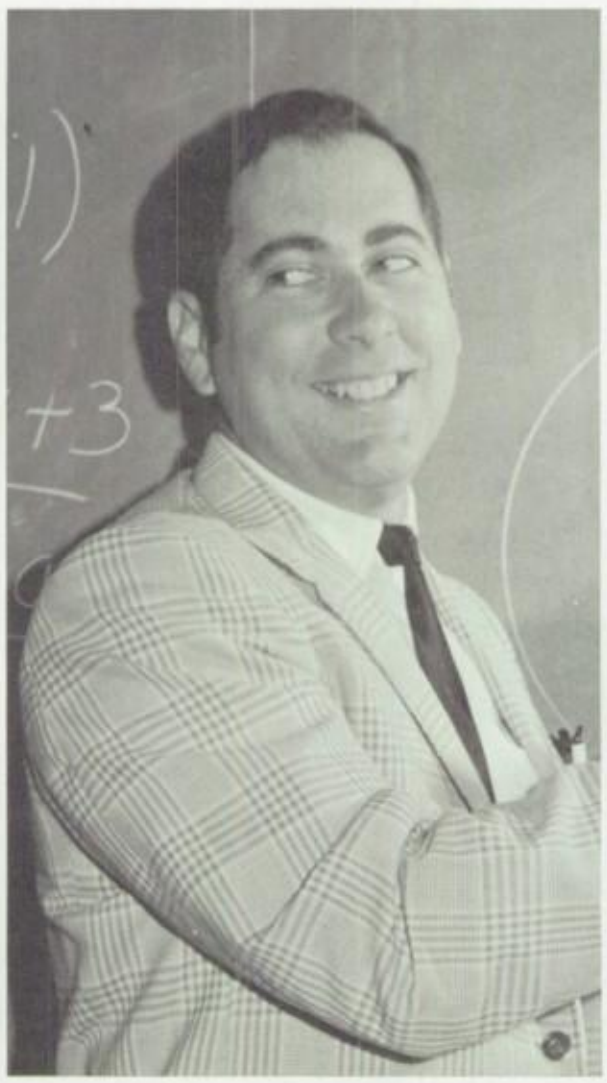
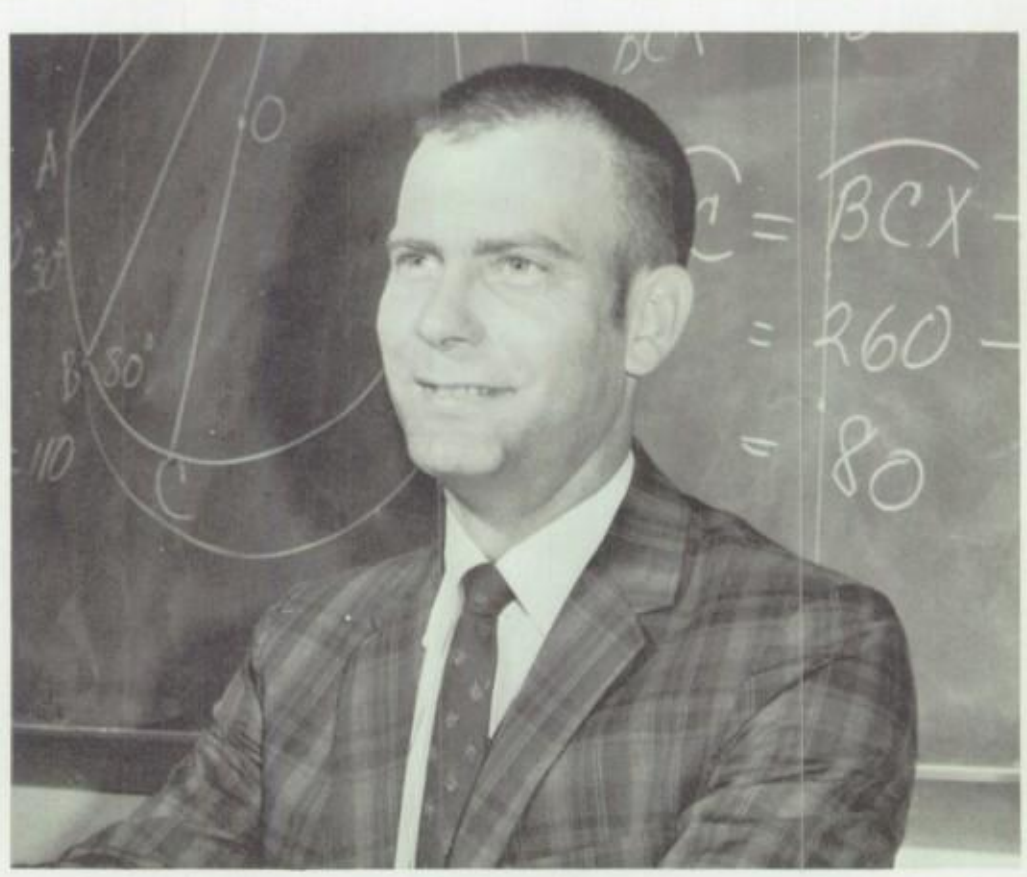
Mathematics



ANTHONY J. VALENTI, B.S.
Coordinator and Mathematics

CLARENCE STRABEL, M.S.
Seventh Gr. Arithmetic



EUGENE NOLEN, B.S.
Algebra II, Geometry, Sr. Math.

Mathematics

Mathematics is one of the most useful and fascinating divisions of human knowledge. It helps us in many important areas of study and is capable of helping to solve some of the deepest puzzles man must face.

Our curriculum includes Gen. Math, Modern Math, Business Math, Algebra I and II, Intermediate Algebra, Geometry and Advanced Math, thus enabling the students to apply mathematics in their everyday life. These courses also broaden the students' ability to reason and logic.

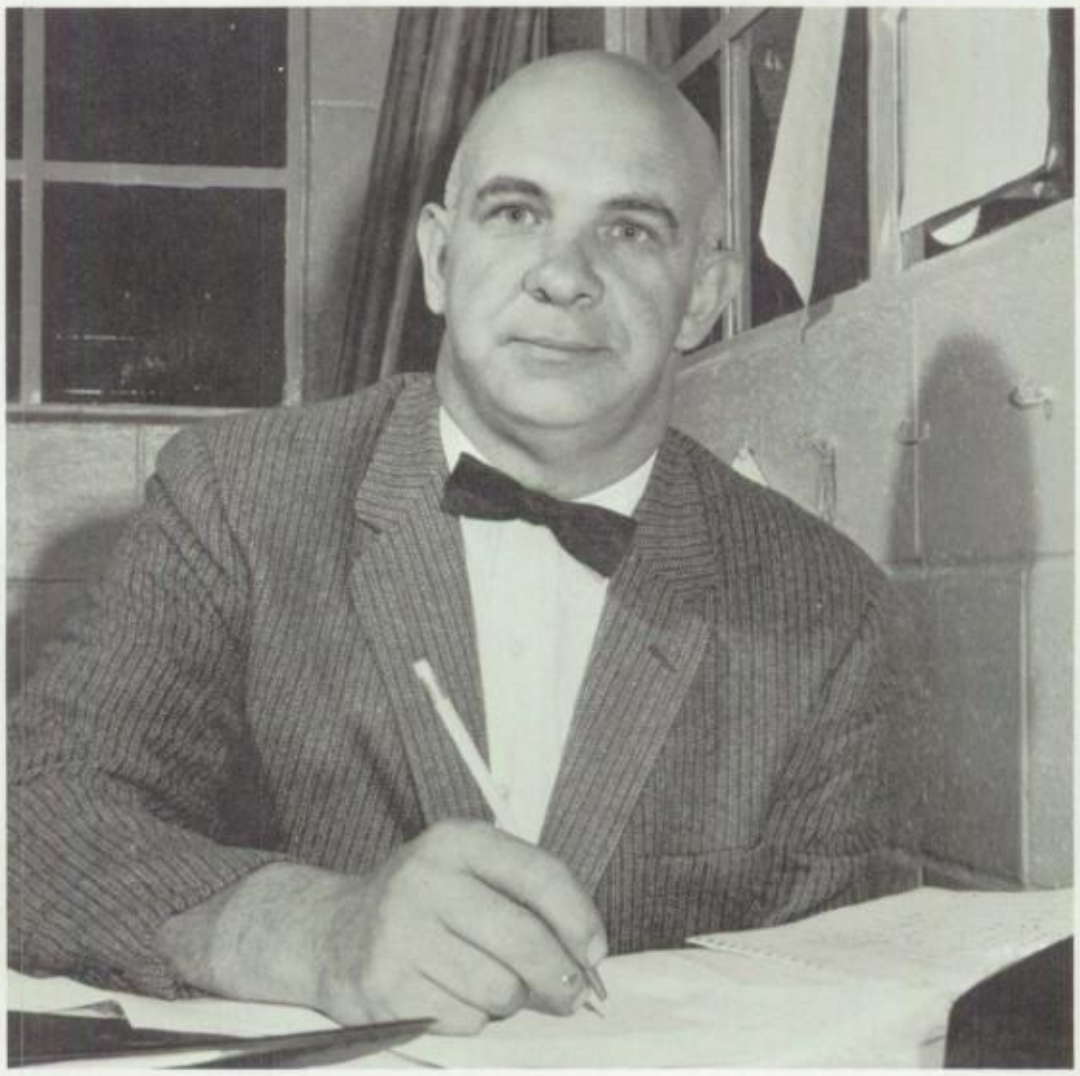
HENRY REAP, B.S.
Mathematics

Physical Education

Physical Education forms an important part of the modern program of general education. It includes physical activities and sports of all kinds designed to improve our posture, physical development, and general fitness. Physical education also provides us with fun and recreation. Our programs in physical education cover a wide variety of activities. These include exercises, archery, baseball, wrestling, football, volleyball, basketball, and tumbling, to name just a few.

Our training helps us build a solid background of sportsmanship and desirable personality traits.

ANITA D. JOHNSON, B.S.
Girls' Physical Education



DOMINIC A. ALFIERI, M.Ed.
Boys' Physical Education

Music

Our school offers an excellent musical program. A student has opportunity to broaden his scopes and gain much enjoyment from the choral and instrumental groups. A wide variety of classical, modern, religious and secular compositions are presented for study.

We are grateful for the different groups' participation in concerts, football games and community socials.

THOMAS E. SCHALLER, B.S.

MICHAELANN DONLEY, B.S.
Ninth Grade American History

Speech

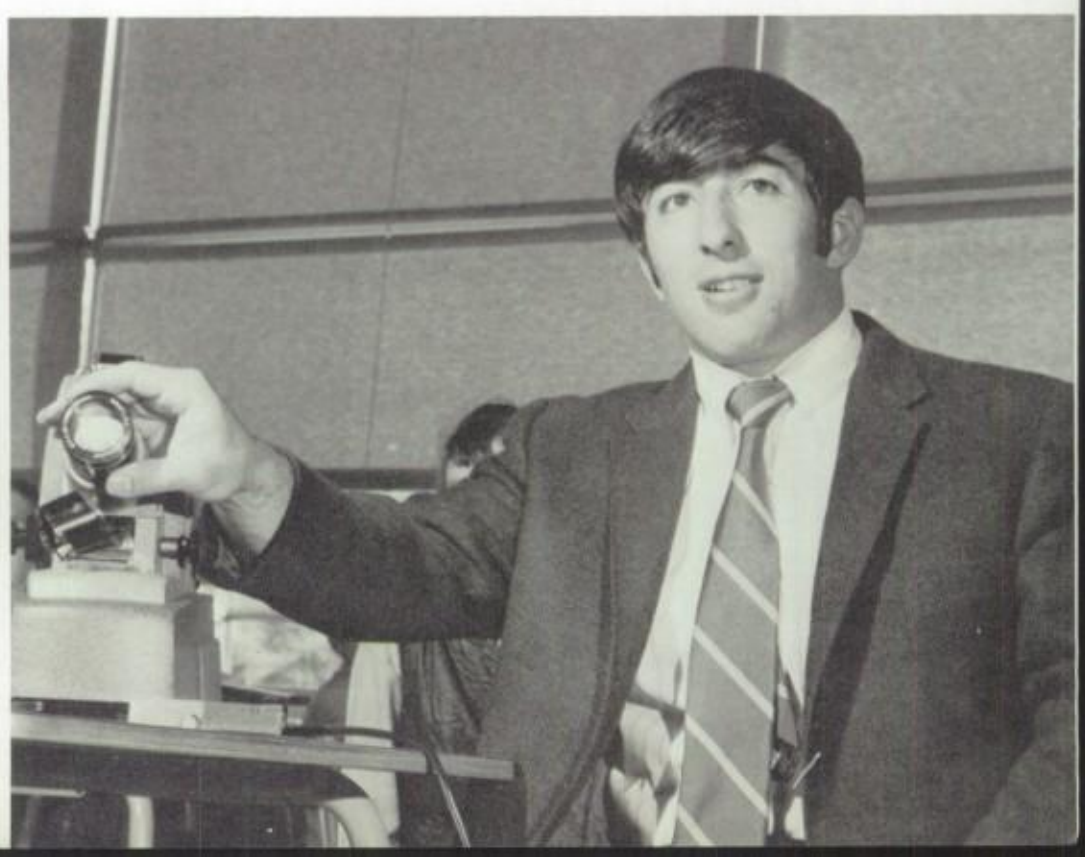
Communication is the key to civilization.

Our speech class enables us to put thoughts into words, express ourselves in an effective way and understand how other people express themselves.

Learning to regulate our voices for a dramatic effect, giving a speech on a formal occasion, and listening attentively are the basic fundamentals of instruction.

ROBERT McBRIDE, M.S.
Social Studies 10,11,12

RICHARD D. SICHERI, B.S.
Environmental Studies I and II



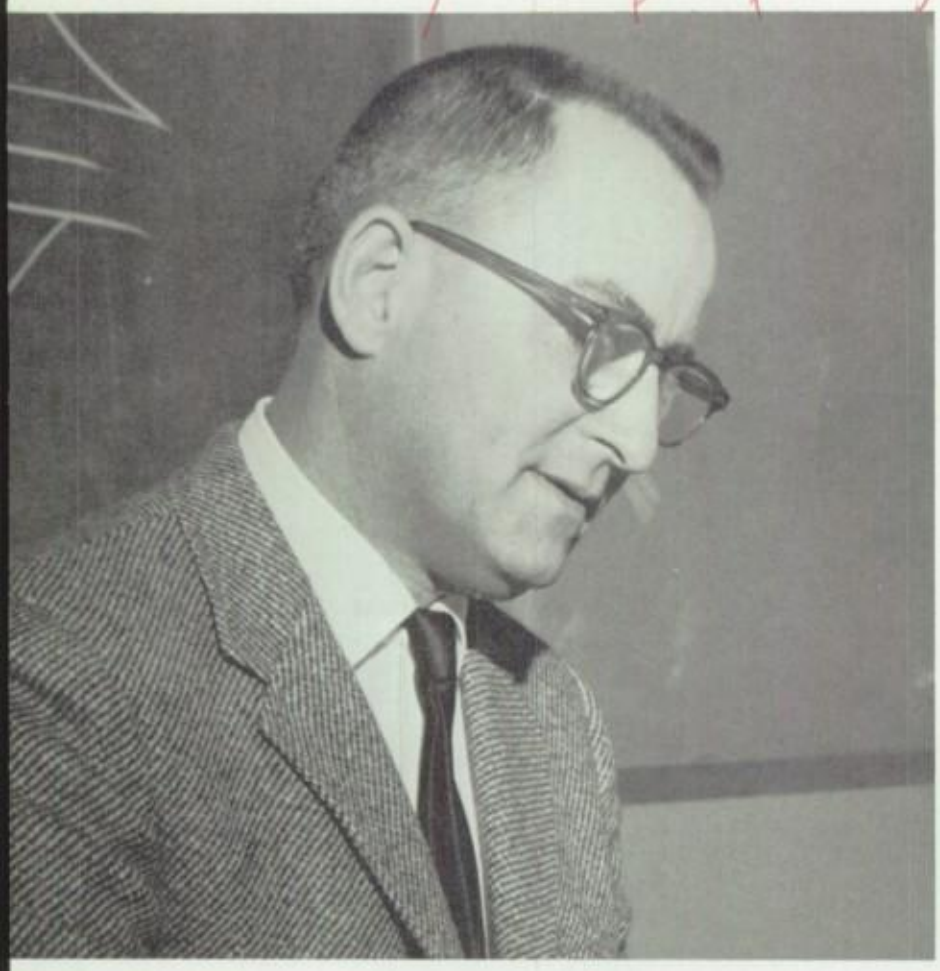
Dave I'll miss you but you are still a favorite student of lots of Lucy P.C. Jane

Social Studies

Social Studies is a very important part of learning. As we study the past and the present, the future seems to be understood a little better and hopefully we won't repeat the same mistakes as the people before us.

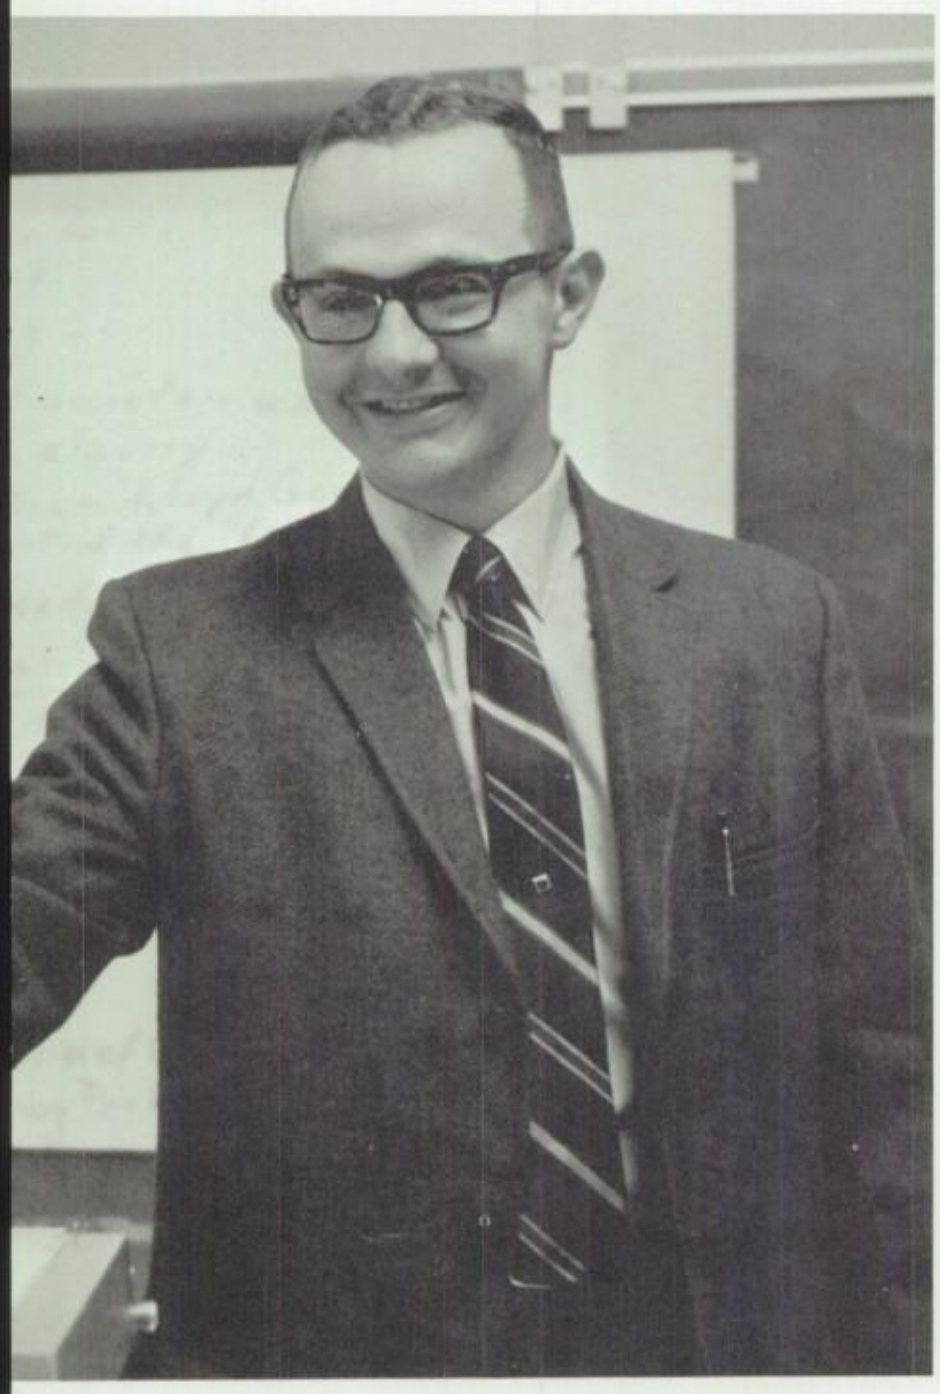
The social studies program teaches us about the different periods of civilization. We become acquainted with many types of government, ways of living, and customs from ancient times to the present day. The areas of social studies offered are: Ancient History, American History, Pennsylvania History and Civics, World History and Problems of Democracy. These courses give us a better understanding of the people around us, the types of government in existence, plus their good and bad features.

The basic knowledge of Social Studies enables us to become better citizens.



JAMES C. SAMPLE, B.A.
World History

WALTER W. GREENERT
Masters Equivalent
Social Studies 10, 11, 12



JAMES H. McFETRIDGE, B.S.
Seventh Grade Social Studies

Vocational Agriculture

Agriculture is the world's most important industry. To keep this world supplied with food, someone must be educated in careful and proper methods. These methods are taught by the Vocational Agriculture department of SAHS.

A farmer doesn't just deal with growing corps and raising animals. He must gamble with the weather, get his money's worth out of the merchant, and control insect pests that could wipe him out over night. The students are taught how to deal with these problems plus many more that will face him when he owns his own farm. When a student has completed this course, he is well educated to enter the world of agriculture.

LEWIS CHAMBERS, B.S.
Vocational Agriculture

TIMOTHY BOWER, B.S.
Special Education

Special Education

The purpose of this class is to instruct and help the students in how to live successful and satisfying lives.

These students contribute much to our school in the art of learning and understanding and compassion. Their contribution of many useful projects illustrates an exemplary motive for all students.

Delilah Ponikvar

As an incoming senior class we were eager to reach the top rung of the ladder. Now we realize the climb to success has just begun.

Our graduation date moved closer and closer. Things that once seemed insignificant were suddenly vivid memories of our school lives, such as: the four year winning streak of our Homecoming floats, having reached its peak with our senior float "Snoopy"; eighth and eleventh grade plays—especially "The Miracle Worker"; the Sadie Hawkins Dance in our Sophomore year, which was our first big dance; our junior year, the prom, using the theme "Gone with the Wind."

The last remaining months of high school found us trying to obtain goals for a successful senior play and the New York trip. They were our last projects as the class of 1970 before we stepped over the threshold looking forward to a new life and new friends. In order to accomplish this, the officers and student council representatives aimed to give their best. The officers were: Leon Kern, Sudee Potter, Tony Segulin and Edward Stroup.

Our class took pride having Patti Griffin represent us as a foreign exchange student in Germany.

The class of 1970 has hopes its class achievements will set an example for graduating classes of the future.

DONNA WORK

An A.F.S.'er Reminisces About Germany

I would like to thank everyone who made it possible for me to travel this past summer. I don't think there could have been two finer choices for families. I felt welcome and right at home—a real part of the family in both experiences. It is so surprising how quickly a tight bond can form when there is complete understanding and open hearts from all. My first family is pictured in the lower left hand corner of the page. They are the family of Helmut Maier in Bad Mergentheim, Germany. In the lower right hand corner my second family is pictured. They live in Vechta, Germany and are the family of Willi Büssing.

I had always hoped to travel to Germany, but I never thought I would receive the chance. Being chosen as the representative for our school has made me the happiest girl in the world.

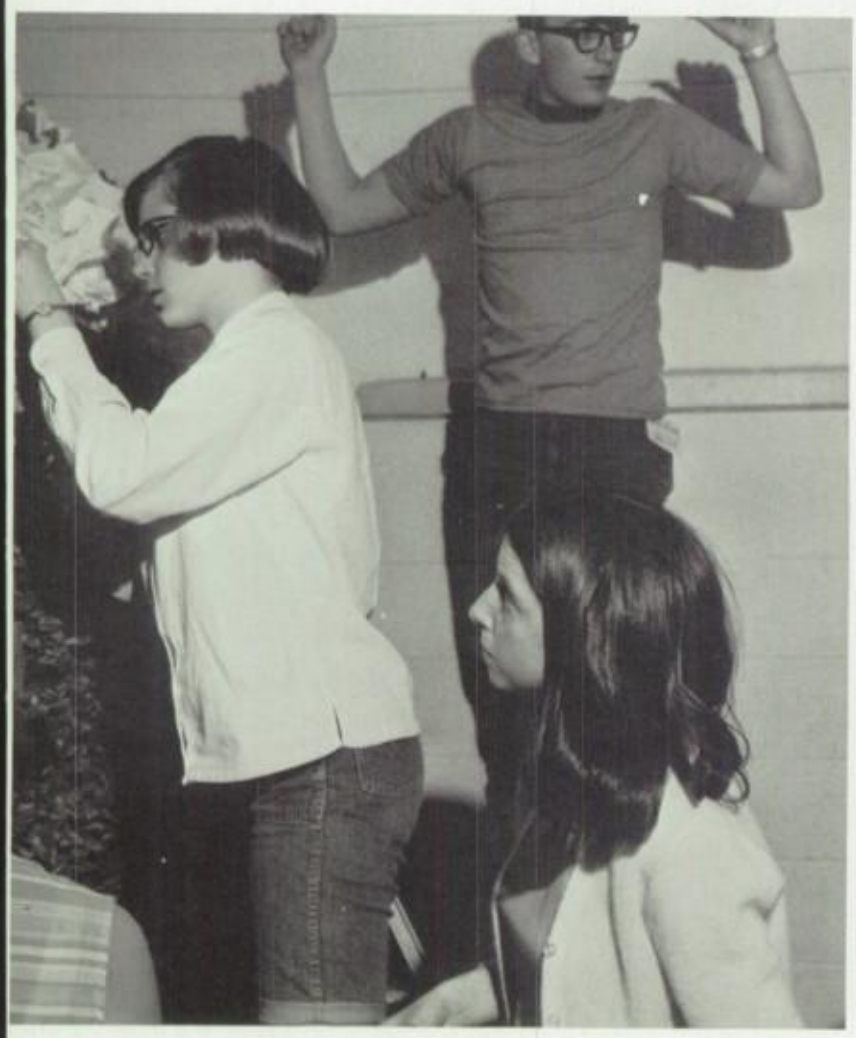
Social



The most treasured moments of our junior year were those of our Junior-Senior Prom—May 2, 1969—with "Gone With the Wind" as our theme.

The entrance lined with flowered arbors on both sides of the gym, would suddenly place one in a beautiful southern setting. Blue and green backgrounds with a low, sweeping ceiling projected a spectacular picture of the "old south."

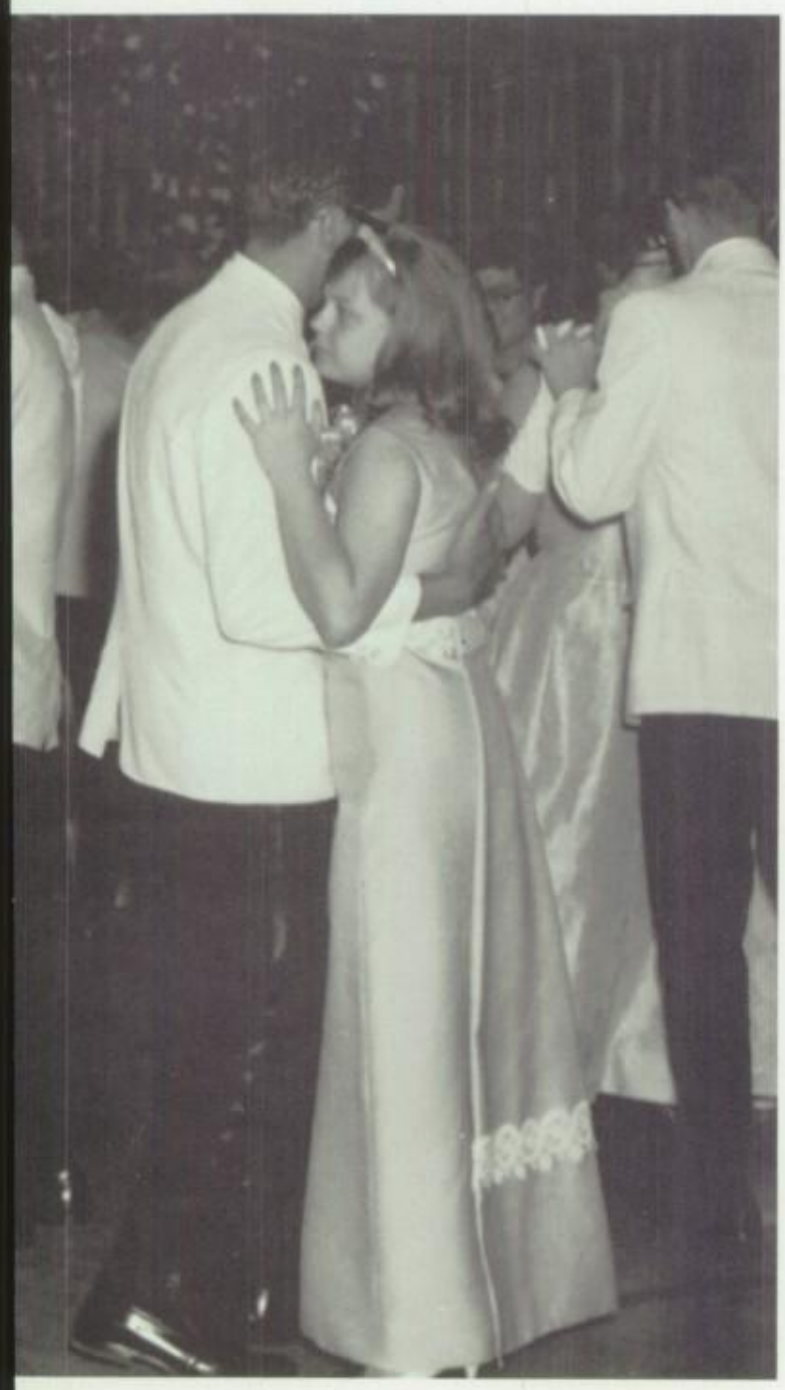
The evening was highlighted with the crowning of the king and queen, Tom Daniels and Linda McCord.

Music was provided by the "Johnny Smith Band" from Pittsfield, Pennsylvania.

Our post prom party was held at the Gateway Lanes with the "Echoes" from Port Allegany entertaining.

Much planning and hard work was put into this special occasion and we felt justly rewarded with the results.

Prom



CONNIE CULLEN
Queen

JEFF MURPHY
King

The annual homecoming weekend is a very important event for the entire community. It consists of bonfires, parades, floats, football games, and, of course the crowning of a homecoming king and queen. This year Constance Cullen displayed the grace and charm of a lovely queen. Her escort was Jeffrey Murphy and they certainly were a handsome couple.

Nunundah

The yearbook staff finds it necessary to spend many long, hard hours in making the yearbook the best in the history of the school. Our goal is to put all the exciting events of one year into a book that can be read and enjoyed in years to come. We hope you enjoy it as much as we have enjoyed putting it together.

Hubber Herald

The students on the Hubber Herald staff are those who have shown an interest in their school paper and would like to make it a success. The staff works hard trying to keep up with the changing school activities and current events. Their aim is to get the news to the students as quickly and as efficiently as possible.

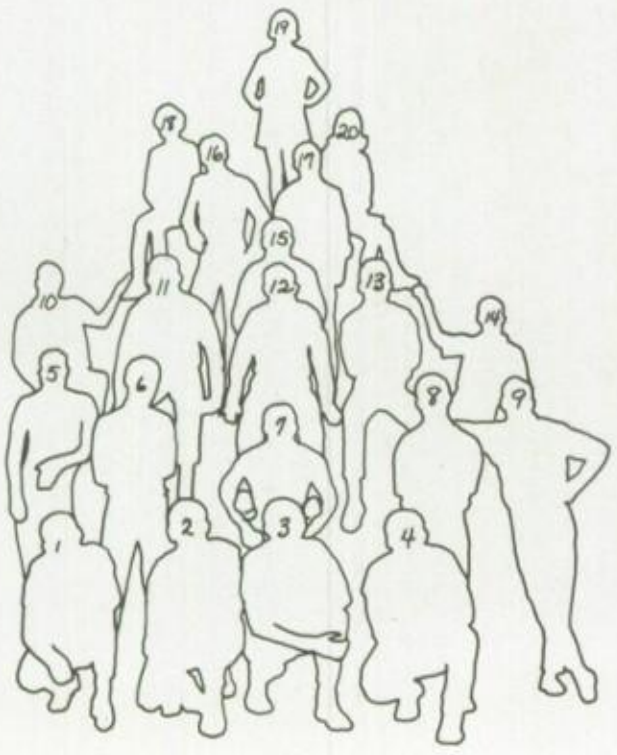
Varsity "S"



This organization is made up of the most athletic members of our school. To be considered to join this club, a person must have earned a varsity letter before his junior year in high school.

The Varsity "S" members are the ones who work so hard in serving us refreshments at the football and basketball games.

As seniors, the members look forward to receiving their hard earned Varsity "S" jackets.

Senior High Art Club

KAROL BENSON, Adviser

The Senior High Art Club is open to students interested in art as a hobby, career or just for pleasure. Students who participate in this club find that it broadens their views on different aspects of art. The annual spring festival displays the best painting or drawing from which some are purchased by the school. Later the purchase is hung in the school corridor.

School Bank

Betty Armstrong
Mary Jo Brennan
Dale Schell

The school bank helps each activity and class keep a close watch on their finances. Under capable supervision students learn the correct handling of funds.

Student Council

The Student Council is the voice of the students in the government of our school. It helps to promote student activities, development of harmonious relations between students and faculty, assistance in school management and the development of habits of good citizenship.

Our student Council has completed many projects this past year which have benefited the students and the community. Clothing sent to orphans in Viet Nam, magazines mailed to Jamaica to help teach children about different cultures of the world, and a rock festival to entertain the students to name a few.

This year many of the weekly meetings were held in the auditorium so all students could see and listen to the council in action.

National Honor Society

The National Honor Society is an organization for students who have achieved the most academically.

This year the members are attempting to earn enough money to establish a scholarship to be awarded to a most deserving student.

A tutoring program has been set up to assure the possibility in the future, of more students becoming members of the NHS.

Future Farmers of America

There are 400,000 members of the Future Farmers of America. Our boys are a small portion of the percentage, but in winning top honors they are very highly rated.

The FFA members are trained in the details of being a successful farmer.

These boys have an adviser noted for his perfection of parliamentary procedure which will help the members in many activities throughout their lives.

Color Guard

Some of the most faithful girls that attend football games are the seven who make up the color guard. These girls practice many long hours working to perfect their drills for the half-time activities during the football season.

The main responsibilities of the Color Guard are to display our flags and lead the senior band in all parades.

MICHAELANN DONLEY

Cheron Rogers, Bonnie Bhe, Kathy Weimer, Debra Okerlund, Janel Gault

Boys' Golf Club

Our golf club not only learns the fundamentals of golfing, but competing as a team against other school teams. All senior high students are welcome to join the club, the only necessity being the willingness to "keep on trying."

The golf club is privileged to have such fine facilities as the Smethport Country Club has to offer them.

11. Lynn Robertson
12. Deborah Jordan

A new addition to our activity list is the Girls' Golf club.

This club teaches the girls the "golfers etiquette" that should be practiced when on a golf course. The proper swings of a golf club have been shown to the girls so they will be familiar with a particular shot they may want to use. The language of the greens, such as bogey, teeing-off and hole-in-one, were added to their golfer's vocabulary. We wish this new group success.

SEASON'S SCORES

	SAHS	OPP
Bradford Central	12	38
Otto-Eldred	6	28
Coudersport	60	22
Allegany	20	0
Sheffield	29	13
Bolivar	24	16
Ridgway	6	6
Portville	36	27
Port Allegany	6	22

The 1969 Hubbers lived up to the tradition that has characterized previous Hubber teams. They were not the largest team the Hubbers have fielded, but what they lacked in size they more than made up for in desire.

After losing the opener to Bradford Central Christian and a very hard fought loss to Otto-Eldred, the Hubbers came to life against Coudersport. They went on to defeat Allegany, Sheffield, Bolivar to run their streak to four in a row. The Hubbers came up against Ridgway, one of the tougher teams on the schedule, and played them to a 6-6 tie. The Hubbers came back the next week to play Portville. After being behind at half time the Hubbers rallied in the second half to win. The Hubbers were defeated in the final game of the season by their arch rival Port Allegany 22-6 The Hubbers finished the season with a 5-3-1 record.

The 1969 Hubber team could be best characterized by their desire to play and their never-give-up attitude. They have contributed much to the tradition of Hubber football and have set a fine example for the 1970 Hubbers to try and follow.

The junior class looks forward to the final big year ahead with a bit of eagerness and anticipation.

The past five years have proven profitable with the eighth grade and junior plays.

The class representatives on the student council were Lynn Brown, Kay McAnallen, Tom Nelson and Michael Thomas.

This year our ego was bolstered as we tied for first place in the Homecoming parade. Our float was "Coil Man" and class representative on the Queen's court was Debbie Nunn. An added joy was that of receiving our class rings.

As our junior year comes to an end we hope to make our Junior-Senior Prom one to be remembered. We wish the best to the incoming junior class and trust it will be a year of fulfillment for them.

Sophomores

President
Roger Reinard

The Sophomore class is the "in-between" group. We have accomplished the goals of Junior High and now anticipate attaining those of Senior High.

Our float, "Herculoids," placed second in the Homecoming Parade. Our proudest moment, however, was to be represented on the Queen's Court by Martina Putnam.

Our class also sponsored the annual Sadie Hawkins Dance. It was well attended and the gals showed their true colors in choosing the guys. Delilah Ponikvar and Bernard Caldwell were voted to represent Daisy Mae and Lil' Abner. Debbie Toothman and Kirk Wright were Mammy and Pappy Yokum.

Student Council representatives were Paula Clark, Tom Everly, Kirk Wright, and Beth Griffin.

We look forward to the activities of our Junior-Senior years. We hope we are able to maintain the great school spirit that has been passed on to us.

The school year 1969-70 was one of accomplishments and activities for the Freshman class. Freshman cheerleaders added to the squad and a Homecoming attendant made us feel like a part of the school at last!

We showed skill and imagination in contributing our float, "Space Cadets," in the Homecoming Parade. Sonja Peterson was Homecoming attendant.

The student council representatives were Maureen Mayo, Fred Schnepp, Cathy Housler and Tom Bango.

We are looking forward to the remaining years in high school and will patiently await our one goal—graduation.

Eighth Grade

The eighth graders are looking forward to experiencing their second year of junior high school.

They proved class eagerness and spirit with their contribution of "Quisp" to the Homecoming Parade.

Those elected to represent them as student council members were Kathy Johnson and Brian Sharro. Officers are David Kline, Ronald Kline, Michael Maynard and Kim Peterson. They are doing a fine job in carrying out projects for their class.

The class of 1974 is an important and co-operative part of our school.

"We're important now. We have our own dances, floats, and representatives for our school. We belong!"

One hears the above cry from the lips of our enthusiastic, anxious, anticipating seventh graders.

Those chosen for student council were Sue Bullers and Randy Reinard. The officers are Daniel Murphy, Jeffrey Burdick, Marsha Jarrett and Kenny Toothman. They show keen interest in their class.

The class did a fine piece of work on their float "Roger Ramjet" for the Homecoming Parade. They have proven a creativeness which will be valuable in their projects to come. We surely can be proud of the Class of 1975.

Junior High Hubbettes

"Practice makes perfect" and "experience counts" are two cliches used to describe the Junior High Hubbettes. These girls practice many hours to learn routines of precision. These girls have had experience in marching in parades and performing in the half-time activities during football season.

We wish these girls good luck in their future—so they will someday be the Senior High Hubbettes.

Jr. Hi Future Homemakers of America

The junior high Future Homemakers of America keep busy working on projects for the purpose of helping underprivileged people. Some of their projects are: sending boxes of food, toys and clothing to low-income families, making place mats for a local nursing home and sewing stuffed animals for the children's ward in the hospital.

Along with these very worthwhile projects, the girls are shown the basic fundamentals of keeping a clean, healthy and pleasant household.

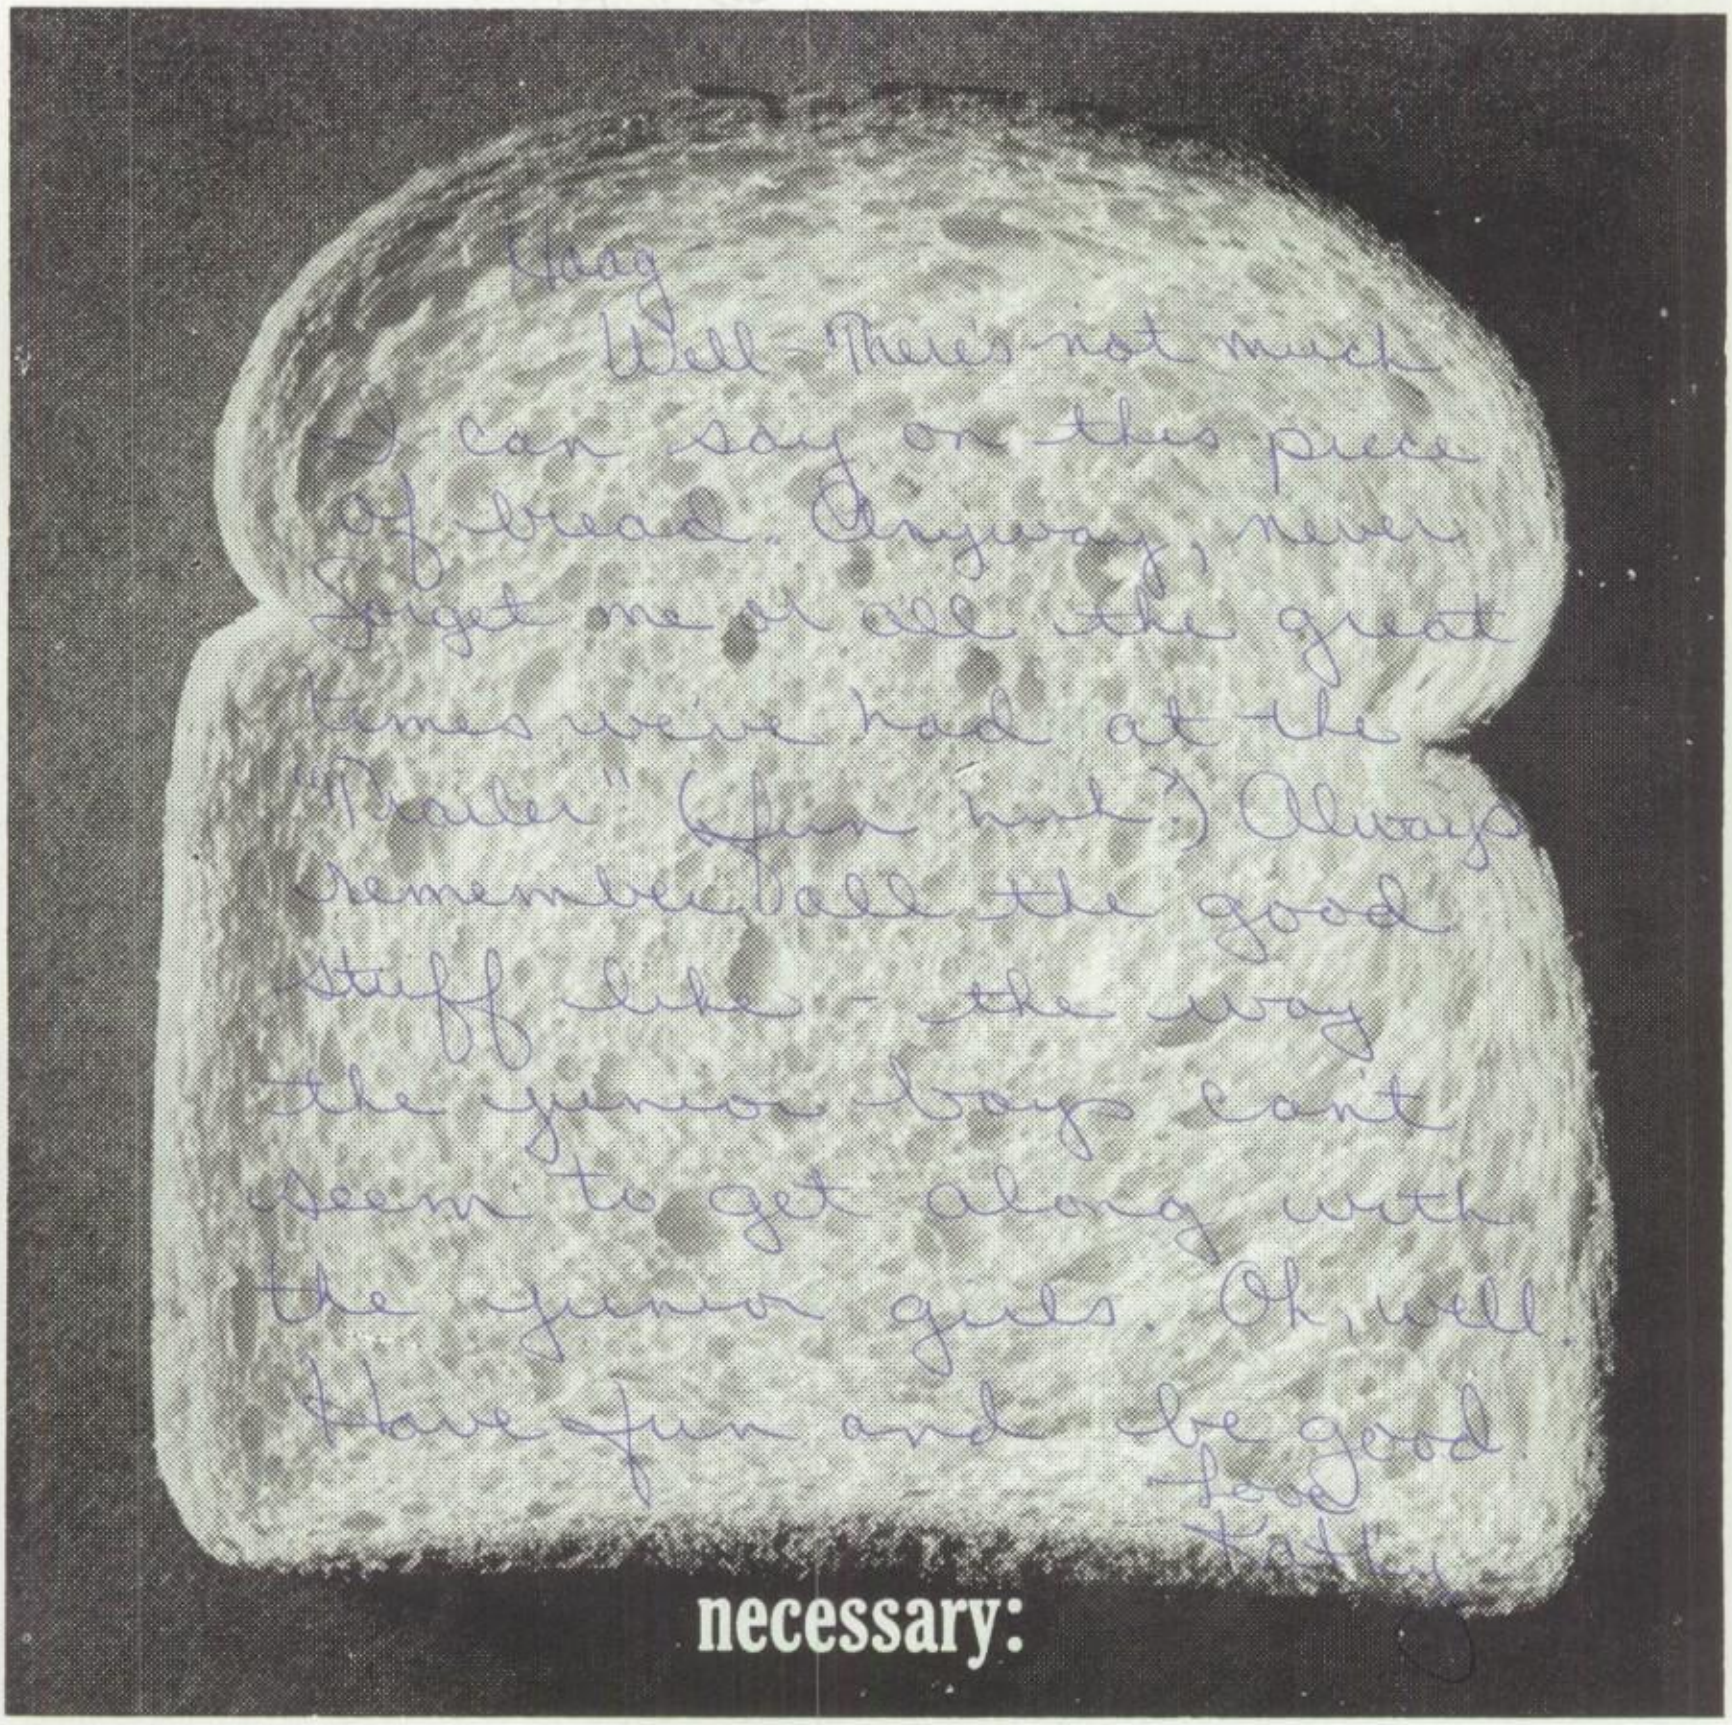
HOME OF THE ORIGINAL WINDPROOF LIGHTER—ZIPPO—THE LIGHTER THAT WORKS.
OR WE FIX IT FREE



Well - There not much
I can say on this piece
of bread. Anyway, never
forget me & all the great
times we've had at the
Theater" (fun huh?) Always
remember all the good
stuff like - the way
the junior boys can't
seem to get along with
the junior girls. Oh well.
Have fun and be good
Ted
necessary:

that's the way people feel about their daily newspaper.

Add another staple to food, clothing, shelter, the daily newspaper. It's that basic.

Nearly everyone reads it **(99 million people** on an average weekday).

They read it thoroughly, page by page (71%)
Would feel lost without it or miss it (79%)
They clip it (editorials 53%, ads 28%), quote from it (65%).

And 99 million consumers wouldn't have it any other way—an ever-changing diet of news and events, freshly packaged, eagerly consumed, thoroughly digested, completely welcome, The Daily Newspaper.

Note: 53% clip from editorial items, 28% clip from ads in a three month period.
65% quote from the newspaper in the past month.

In Memory

January 19, 1953 — November 29, 1966

Linda Marie Campbell

Linda Marie Campbell, daughter of Helen and Loren Campbell, was born on January 19, 1953. She was a beautiful blonde haired, blue eyed spark of life to all who knew her.

Linda lived in Betula, Pennsylvania and attended her first three years of school in Crosby, Pennsylvania. In her fourth year of school she went to East Smethport, Pennsylvania. Linda's fifth and sixth years of school were spent in the Smethport Elementary School. Linda participated in all activities and excelled in scholarship and physical abilities.

In seventh grade at SAHS, Linda was an active member of the choir and treasurer of the Book Club. She was a member of the junior high choir and vice-president of her class in eighth grade. She was also a member of the history club.

Linda was a J.V. cheerleader and an outstanding student. During her two years in high school Linda was on the Honor Roll eight times and Roll of Distinction four times.

Linda passed away on November 29, 1966. We are saddened to have lost such a talented and gifted friend.
